This paper is being filed in response to a telephone conference with Examiner Vincent on July 14, 2005.

The status of the above-referenced application shown on the Patent Application Information Retrieval System (PAIRS) indicates that on November 15, 2004 "allowance counted". Since no Notice of Allowance/Issue Fee Due form had been received by the Applicants, Applicants' attorney contacted the Examiner. A review of the file history by the

Examiner indicated that a Statement Under 37 CFR 3.73(b) was missing from the documents filed on March 4, 2004.

The Examiner suggested that Applicants submit a copy of the previously filed Statement Under 37 CFR 3.73(b) in order to rectify this problem. The attached Statement Under 37 CFR 3.73(b) is hereby submitted, along with attachments.

It is believed that Applicants has complied with all outstanding issues. Therefore, it is respectfully requested that this re-issue application be allowed, and that the Examiner's next anticipated action be issuance of a Notice of Allowance.

If any further issues remain outstanding, the undersigned is available for telephone consultation at any time.

Respectfully submitted,

Dated: July 22, 2005
